Community Recovery Seder

Thursday, April 9, 2020
6:00-7:30 PM

This alcohol-free experiential Seder (Passover ritual meal) is intended for all who are journeying toward recovery, those in recovery, and their loved ones and allies, to celebrate Passover in a safe environment among others who speak the language of recovery. Understanding that Passover, with its four cups of wine, can be difficult, this experience will enable participants to come together in the safety and comfort of those with shared experiences in order to learn and grow together.

Cost: \$20/person includes a complete Passover meal with matzo ball soup, brisket, chicken, sides, and dessert.
